Description
Join our dedicated hospital catering team to ensure high-quality, nutritious meals are prepared and delivered to patients and staff. This role is crucial for maintaining a clean and efficient kitchen operation in a healthcare setting.

Responsibilities
* Assist the Chef and cooks with basic food preparation (e.g., washing, peeling, chopping).

* Wash dishes, utensils, pots, and pans and operate the dishwashing machine.

* Maintain high standards of hygiene and cleanliness in all kitchen areas, following HACCP procedures.

* Assist with stock rotation, checking in deliveries, and organizing storage areas. * Deliver food trolleys to wards and assist with setting up dining areas.

Qualifications
* Prior experience in a professional kitchen environment is a plus.

* **A strong understanding of food safety and hygiene regulations.**

* Ability to perform physical tasks, including standing for long periods and lifting moderate weights.

* Reliability, punctuality, and a strong team-work ethic.
